Dear Parent/Carer,

## Educational Tour to Disneyland Paris with NST

The Science Department is planning an educational tour to Disneyland Paris from 1<sup>st</sup> March 2026 – 4<sup>th</sup> March 2026. The tour is arranged by NST.

The Science experience immerses students in the practical applications of mathematics principles at this world-famous theme park resort in a number of different and engaging ways:

- Through attending a seminar hosted by facilitators with experience of working with Disneyland® Paris
- By taking part in an interactive workshop which encourages the students to use their knowledge of science principles and practices.
- Completing subject-specific assignments during their time in the Parks and at the Resort.

The students will be travelling by coach and will depart from school on Sunday 1<sup>st</sup> March 2026 and arrive back on Wednesday 4<sup>th</sup> March 2026. The exact departure, arrival time and itinerary will be confirmed closer to the departure date.

The cost of the trip will be no more than £800.00 which includes:

- Travel to and from Disneyland Paris
- Accommodation (Exact hotel to be confirmed by the tour operator)
- Continental breakfasts
- Evening meals
- Admission to the park

As a result of additional funding direct from government, students in receipt of Free School Meals or Pupil Premium students, are eligible for a contribution of up to £80.

*The price does not include lunch or pocket money. We would recommend a daily allowance of 15-20 Euros for lunch/snacks.*

If you would like your son/daughter to take part in this educational tour, please pay the £75.50 deposit payable by ParentPay by the 24<sup>th</sup> March 2025. Making a payment is straightforward and ParentPay holds an electronic record of your payments to view at a later date.

If you need details to activate your account, or if you are unable to pay online please contact the school Finance Office to make arrangements at [finance@woodrush.org](mailto:finance@woodrush.org).

It is likely that the trip will be oversubscribed. If that is the case, names of all the students will be entered into a draw. Students who are not selected will be placed on a waiting list and have their deposit refunded.
